

## PRODUCT INFORMATION

# oilfino Varius G 620 75W-90

## DESCRIPTION

**oilfino Varius G 620** is a synthetic smooth-running transmission oil for highly loaded manual transmissions for use in commercial vehicles under the highest mechanical and thermal stress. Particularly suitable for use in shift, deflection and transfer transmissions of Mercedes Benz commercial vehicles. By using synthetic base oils and additives tailored to them, today's practical requirements are exceeded.

## PROPERTIES

oilfino Varius G 620 offers excellent wear protection and excellent oxidation and temperature stability even under extreme operation and the toughest conditions. The selected base oils with matching additive technology guarantee very good afterflow behaviour at low temperatures and high lubrication safety at high operating temperatures. oilfino Varius G 620 reduces maintenance costs and increases efficiency through extended oil change intervals according to manufacturer's instructions.

## SPECIFICATIONS

- API GL4

Specific data	Method	Unit	oilfino Varius G 620
SAE grade	SAE J 306		75W-90
Density at 15°C	DIN 51757	kg/m <sup>3</sup>	864
Kinematic viscosity at 40 °C	D 445	mm <sup>2</sup> /s	96.5
Kinematic viscosity at 100 °C	D 445	mm <sup>2</sup> /s	16.5
Viscosity index	D 2270		185
Pour point	D 97	°C	-57
